

Wall Mounting Brackets, UWMB

The enclosure can be easily mounted at the installation site without any need for internal access. The brackets are corrosion resistant, which is perfect for harsh environments.

功能

Description: Mounting brackets for wall fixing UCP enclosures. It gives a clearance of 20 mm between the enclosure and the wall.

Pack quantity: 4 brackets with mounting accessories.

The enclosure can be mounted easily in the field since the brackets are mounted on the outside, making it unnecessary to open the enclosure

The brackets have excellent corrosion resistance for harsh environments
